

her part of Junior Show.
Of course Elaine would not
let Alice put one over on her
that way, so she is coming, too.
I have tickets for Friday night
Nova Bayes in "Queen o' Hearts"
and Saturday matinee "Green-
wich Village Follies". They
return at 4 P.M. Sunday.

Won't you please let me know
if any one or all of us can be
of use? I feel that we should
even go down without your
permission.

I don't suppose you have
been out of my thoughts a
single hour since this oc-
curred, and I wonder how
you all stand the strain.

I hope you have quite recovered
from the severe cold you had.

Yours with much sympathy
and love,

Sara M. Wilson.
